The Politics of Heavenly Questions

-Any Democrats in that Rapture?

-Hell no! Not a one! Hey it’s called the Christian Church,not the church of any fuckin thing y’want!

-They’re deceived then?

-Perpetually. Anyway,our job is to get our own troops voting before they turn all gooey and dewy and vacant prior to getting on that escalator to Jesus or whatever.

-If Dems win,be Tribulation,right?

-Worse.
